

THE LOUISVILLE DAILY DEMOCRAT.

VOLUME XXI.

MOWER & REAPER

We have been selling the above for the last six years, and one machine has been sold to every man who is acknowledged by all who are acquainted with it as being the most durable, workmanlike and easy to manage, and a common wagon. The difference of time is due to the various styles of the carts in use, which allows us to make the machine more by no other machine.

We have the entire control of the Buckeye Mowers and Reapers, and in the counties adjacent to the river. There are no mowers or reapers which have been sold as the above, and those which are improved Buckeyes, represent a falsehood, and are not made by any manufacturer, and contain all the latest improvements, and are made to purchase to lead in their early to insure machines.

NOTICE. We keep every part of the machine always on hand. We have our own shop for repairing machinery, and our customers can depend on us to repair them in the most substantial manner, and at a reasonable price.

WARRANTY.

We warrant our machines to be well made of the best materials, strong, durable and easy to draft or draw, and a Reaper will cut from 10 to 15 acres of grain and clover per day, and will cut grass which is equal to 100 men.

CITY NEWS.

Agent of the Democrat in Nashville, Tenn.

W.M. C. COLLIER. No. 22½ Cherry street, Nashville, is Special Agent for the Daily and Weekly Democrat in Nashville, Tenn. Persons wishing our paper will always find it his "News Depot," and on sale by the newsboys, upon the arrival of the train. *df*

The meat question is attracting unusual interest in all of our eastern cities. Butchers continue to charge famine prices, notwithstanding it is a season of great agricultural plenty, with grass more abundant than for years, gold at less than half the price it was a year ago, and with a general reduction in the price of almost every other article of food, as well as apparel. The necessity is forced upon a large class of consumers to abandon meat diet, and the wealthier class is also preparing for the same course of abstinence, on principle. Hotels are also becoming interested in the subject, and the butchers will soon find themselves without customers, unless they show some inclination to deal fairly.

The commercial convention is to meet in Detroit on the 10th inst. It will be one of the most important conventions ever held in this country. Forty-two delegations representing men and the largest cities in the United States, will be present, and like associations in Canada will send delegates. It is said that the treasury department will send a prominent official representative. We observe that the city of Detroit is preparing to give their visitors a splendid welcome and entertainment on that occasion.—*Cincinnati Commercial*.

The importance of the Detroit convention, which is to assemble on Monday next, has not been over estimated. That it will exert an immense influence upon the trade and business of the west will not, we think, be questioned by intelligent persons. The commercial importance of Louisville demands that the city should be represented. There is yet sufficient time to remedy the apathy, which, on this subject at least, seems to prevail in this city. A delegation of our most prominent and far-seeing merchants should, by all means, be present at the convention and fairly represent the mercantile and commercial interests of the city.

TROUBLE AMONG THE RADICALS.—A few days ago Joshua F. Speed was nominated for the legislature in the district composed of the fourth, fifth and sixth wards of the city. Mr. Speed has declined the honor, and a meeting is called to make another nomination. Let them bring out another man, and we will find some genuine conservative Union man to beat him.

POLICE PROCEEDINGS.—*Friday, July 7.*—Jennie Brown, alias Jumping Jennie, drunk and disorderly, fined \$5 and held in \$100 for two months.

Geo. W. Leonard was bailed out of the workshop.

Frederick Riley and H. S. Simpson, far-dealing, beating a soldier out of \$45; bail each in \$600 to answer.

Joe Manley, Jno. Gathny and James Cameron, stealing \$95 from Jno. Lisberg, Charge of felony dismissed, and the parties were presented as suspected felons; Manley held in \$300 for six months, and the other two in \$200 for three months.

Jas. Slaughter, fugitive from justice from Ohio; sent to that State for trial.

Philip Neel, stealing \$5 from Mrs. Forman; held in \$100 for two months.

Kate Eney, stealing ring from W. O'Connel; discharged.

AGREEABLE SURPRISE.—During the administration of Captain J. F. Herbert, chief of the artillery department of Kentucky, he won the esteem of numerous friends by his gallantry as an officer and gentleman. As a proof of appreciation for him, his friends surprised him yesterday by presenting him with a splendid hunting case gold watch and a beautiful gold chain. The captain highly appreciates the compliment, and will ever remember his many friends and acquaintances in this city.

FIRE.—The alarm of fire, about 5 o'clock yesterday afternoon, proceeded from the Pickett tobacco warehouse, corner of Eighth and Main streets. The fire, which originated in the roof of the building, was, fortunately, discovered and extinguished before much damage was done. The engines were promptly on the spot, but they did not throw any water.

The New Path, a monthly art journal, published in New York, in its July issue, gives articles entitled "A Letter to Working Men," "Architectural Designs in the Academy," "The Builder vs. the New Path" and "Mr. Leutz's Portrait of Abraham Lincoln," all very readable.

Three soldiers were arrested as deserters yesterday, another, for sleeping on post, two for murder, to wit: Charles Hawkins, and John Conks, Fourth Kentucky cavalry. One for insulting ladies, one for stealing a revolver.

There is very little business of a public character now done in the office of the provost marshal general. Very few persons are taking the oath now-a-days. All the guerrillas, with a very few exceptions, have been captured.

Calvary Church will be opened for divine service on Sunday morning at 11 o'clock, and in the evening at 8 o'clock. The Rev. Dr. Josiah P. Connor, late of Clarksville, Tennessee, will officiate. The trains from Nashville were detained until a late hour.

GENERAL SHERMAN.—This gallant hero arrived in the city yesterday morning from Nashville, and left for Cincinnati on the General Buell in the evening.

GULY.—Wm. Bliss, charged with the murder of Joseph Kirby, had an examining trial in Jeffersonville yesterday. The prisoner plead guilty.

PASSES.—There have been 6,230 negro passes issued in the provost marshal's office up to 1st of July. Ninety-four were issued yesterday.

The negroes continue to flock into the city in groups. Of course they are in search of freedom. They'll get what they come after.

The Main street railway is doing a fine business at present. The cars are crowded with passengers from morning until night.

We call the attention of parents and others to the advertisement of Mr. Browder's vacation school.

Mary Huntley was arrested yes- terday for getting drunk. She was sent to the military prison.

A number of sick discharged Federal soldiers were sent away to their homes yesterday.

Yesterday was another very warm day.

An advertisement of ring lost.

Amusements.

The U.S. C. & V. AMBURGH'S MENAGERIE.—This is positively the last day of the season in our city. The special feature for today is the grand exhibition at 9 o'clock. The regular day performance at 2 o'clock, and the night performance at 7 o'clock, are the concluding entertainments in the highly successful series of performances.

Another large number of soldiers left the city yesterday for their homes in the Western States.

The Federal court adjourned on Thursday.

Council Proceedings—Election of Policemen.

It having been announced that at the meeting of the council last night the election for extra policemen would take place, the council chamber, at an early hour, was thronged with the various aspirants for the office of guardian of the city. The councilmen were besieged on all sides by different parties, who were urging their claims to our city fathers.

The resignation of Thos. A. Forman as night watchman in the Fifth ward was received.

Thos. Frazier resigned his position as pilot on account of ill health.

A resolution was passed allowing Officers Sweeny, Martz and Needy pay for the time that they were under arrest by the military.

The council next went into joint session for the election of twenty-four policemen. The first in order was the election of fourteenth regular policemen. The following is the indictment for murder:

In this, that he, Champ Ferguson, leader of a band of out-laws and robbers, and wilfully, deliberately and with premeditated malice, kill and murder:
